

With this in mind, here we have the 7 key competence areas selected to form a part of Eco-Circle's Competence Framework:

Eco-Circle Competence Framework
#1: The 3 Rs: Recycle-Reuse-Reduce
#2: Lifecycle of Circular Economy
#3: Social Entrepreneurship and Circular Economy
#4: Corporate Environmental Sustainability
#5: Embodying Sustainable Values
#6: Environmental Engagement
#7: Supporting Local Eco-friendly and Green Activities
